# New Year's Sunrise Mocktail

## Ingredients

- Orange juice
- Sugar free lemonade
- Grenadine
- Orange slices

## Method

- Fill each glass about a third of the way up with orange juice.
- Add lemonade to fill the glass, leaving a small gap for the grenadine.
- Very slowly pour a small amount of grenadine into each glass. The grenadine should sink to the bottom to form a pretty red layer.
- Cut orange slices and add a slice of orange to the side of each glass.

## Easy Chocolate Truffles

### Ingredients

8 oz semi-sweet or dark chocolate  
1/2 cup heavy cream or coconut milk  
Optional 1/4 tsp vanilla extract

### Method

Chop chocolate finely, so it will melt more quickly and evenly. If using coconut milk, be sure it's the full-fat canned type. Heat the milk or cream just until it barely begins to boil. Pour over the chocolate, add the salt and vanilla if using, and stir until smooth. Refrigerate at least 2 hours, or until firm enough to scoop out and roll balls with your hands or a mini cookie scoop. If desired, roll truffles in cocoa powder, sprinkles, crushed walnuts or almonds, coconut, powdered sugar, or melted chocolate. Set on a parchment-lined plate, and refrigerate or freeze until ready to serve.
